

Glaetzer 2016 Glaetzer Wallace

BAROSSA VALLEY The 2016 Wallace Shiraz-Grenache is the same 78/22 blend that the past two vintages have been, but it seems a touch darker and richer on the nose and palate, if perhaps a little less complex and nuanced. It's still a solid mouthful of bold Barossa fruit, leaning toward black cherries in this vintage, with a slightly creamy mouthfeel and a long, supple finish.
