

Susie Bynum

Susie Bynum Wines 2020 Pinot Noir Russian River Valley

Susie Bynum, a third-generation wine industry professional, is carrying on the legacy of her father, famed Russian River pioneer Davis Bynum. From her early childhood picking grapes in her grandfather's vineyard in St. Helena, Susie has worked closely with her dad and played an integral part of bringing the Davis Bynum brand to the level of respected notoriety it has enjoyed.

The Vineyard

The grapes for the 2020 vintage of Susie Bynum's Pinot Noir are sourced from small sustainably farmed vineyards in the Russian River Valley.

Winemaker's Tasting Notes

This elegant yet bold Pinot Noir from Susie Bynum is a stunner. Sumptuous aromas of fresh raspberries, summer-ripe plums, with a bit of spice and a pinch of cinnamon. The silky, smooth flavors include dark cherries, cranberries, some dreamy earth tones and a hint of cola. Rich, layered and extremely approachable.
